

9° Trofeo Tiziano Motti
Mezzogiorno
Ottobre 2015 - Maggio 2016

IL VOSTRO ALBUM

Tutti i protagonisti
del Torneo di calcio
categoria Allievi
più grande d'Italia

UN DECENNIO DI PASSIONE AMICIZIA

Nato nel settembre del 2006, il torneo di calcio categoria Allievi denominato **"Tiziano Motti Fossil Cup"**, spegne quest'anno dieci fantastiche candeline. Un'avventura straordinaria fatta di gol, gioie, emozioni, che ogni anno mette in campo oltre mille ragazzi di tutta la regione Emilia Romagna.

Una manifestazione unica che ha come intento principale quello di trasmettere ai giovani calciatori i sani valori dello sport attraverso un torneo che ha nei ragazzi i veri protagonisti e che per durata e numero di squadre iscritte è da considerarsi il più grande d'Italia.

SOLIDARIETÀ

CONDIVISIONE

LEALTÀ

CORRETTEZZA

questo e molto altro ogni martedì e mercoledì scende in campo insieme alle 48 squadre del nostro torneo. Dieci anni che hanno accompagnato la crescita di migliaia di ragazzi attraverso tante iniziative create in sinergia con le società sportive e i loro dirigenti, sempre pronti ad accoglierle con entusiasmo e partecipazione.

Il torneo, che ha nella cura dei dettagli organizzativi, dalla presentazione alla serata finale, uno dei suoi tanti punti di forza, è promosso dalla testata **"Giornale di Reggio"** che settimanalmente segue l'evento pubblicando i tabellini delle gare, le cronache, le interviste, le fotografie, rendendo la manifestazione una fantastica vetrina di giovani calciatori. Ogni anno la **"Tiziano Motti Fossil Cup"**, viene intitolata alla memoria di Gianluca Vezzani, un ragazzo che lavorava al **"Giornale di Reggio"** con straordinario impegno ed entusiasmo: la sua formidabile voglia di vivere, stroncata da un male incurabile, è ancora presente nel ricordo di chi lo ha conosciuto e vuole essere un messaggio di grande positività e ottimismo per le giovani generazioni.

Negli anni, poi, tanti amici si sono aggiunti alla grande fa-

miglia **"Tiziano Motti Fossil Cup"**; un concentrato di passione forte e contagioso.

Da Piacenza a Bologna sono 48 i club che in ogni edizione si sfidano per contendersi l'ambito trofeo, sempre più importante e prestigioso anche dal punto di vista tecnico. La Fondazione Tiziano Motti e la onlus **"Caramella Buona"**, sono partner ufficiali del torneo, impreziosendolo con importanti messaggi a tutela dei più deboli rivolti ai giovani e alle loro famiglie.

Le cene di squadra organizzate durante il tradizionale **"Terzo Tempo"** dopo le partite, i capi di abbigliamento e le divise create ogni anno per la manifestazione, le tante pagine sul **"Giornale di Reggio"** dedicate alle partite, contribuiscono poi a rendere questa magica storia sempre più amata perché capace di stupire ed emozionare sempre.

Questa raccolta fotografica di tutti i protagonisti della decima edizione, vuole essere un grazie forte ed orgoglioso a tutti coloro che hanno creduto in questo progetto, mettendo il proprio prezioso contributo nel renderlo ogni anno sempre più bello ed importante.

La nuova ora della Swinging London è scattata.

Il famoso Ventennio Inglese '60/'70, l'atmosfera rivoluzionaria, l'anima classica e conservatrice in contrapposizione con la ribellione giovanile; quando i londinesi snobbavano una piccola boutique nata in Kings Road - Biba - che faceva impazzire la nuova generazione e destinata a diventare uno dei simboli storici del periodo.

Il motore che ispira la nuova collezione di orologi Harry Williams è proprio questo: due generazioni a confronto - il quadrante e il cinturino - la tradizione contro l'innovazione, l'eleganza austera contro la mixigonia di Mary Quant, la bombetta contro i capelli lunghi.

Ecco che nasce un orologio classico e moderno al tempo stesso, che scandisce il tempo a ritmo di rock Anni '70, quel periodo d'oro dove tutto era possibile, ribaltando gli schemi per creare un nuovo modo di vivere, di vestirsi e di ascoltare musica.

Non l'orologio come abitudine, ma l'orologio come vezzo, divertimento, gioco di polo. Due collezioni, una dedicata alla donna e una pensata appositamente per l'uomo, entrambe viaggiano sulla stessa lunghezza d'onda: un quadrante tondo e old fashion, classico e curato nel dettaglio che si contrappone con maestria ad un cinturino eclettico e fuori dagli schemi, in grado di trasformarsi in un vero e proprio accessorio intercambiabile, colorato in cotone, in morbida pelle o con bracciale in acciaio.
